

MEDIA RELEASE

RESIDENTS IN NEW NURSING HOME AT CHAI CHEE RECEIVE WARM WELCOME INTO THE COMMUNITY

Singapore, 25 January 2016 – Minister for Social and Family Development and Member of Parliament for Marine Parade Group Representation Constituency (GRC), Mr Tan Chuan-Jin; together with Kembangan-Chai Chee Grassroots representatives and community partners, came by NTUC Health's new nursing home at Chai Chee to warmly welcome its residents to the neighbourhood, bringing seasonal cheer to them.

The facility is the second nursing home opened by NTUC Health, with a capacity of more than 340 residents. The 11-storey facility started operations earlier this month, and it includes a Silver Circle senior care centre which can serve up to 100 clients. Minister Tan and his team also dropped by to visit the senior care centre clients.

MP for Marine Parade GRC, Mr Tan, distributing mandarin oranges to residents and senior clients, bringing the Lunar New Year festive cheer to them, while warmly greeting them and welcoming them to the home and day care centre in Chai Chee. With Mr Tan were fellow grassroots representatives from Kembangan-Chai Chee; including Kampong Ubi Community Centre Community Management Club Committee, Ping An Green Resident's Committee, Kembangan-Chai Chee Senior Activity Centre, as well as community partner, Filos Community Services and many more.

About NTUC Health Co-operative Limited

NTUC Health is an NTUC social enterprise that provides quality and affordable health and eldercare services. Building on more than four decades of experience and expertise, it provides an integrated suite of services to meet the growing needs of families and their dependents. It operates pharmacy retail outlets, dental clinics, a family medicine clinic, senior day care centres, home care services, nursing homes, senior activity and wellness centres, as well as a sheltered / senior group home and case management services for vulnerable seniors. Its team of dedicated doctors, dentists, pharmacists and care professionals supports more than 300,000 people in our community every month.
